

MODIFY THE PASSWORD

Before changing your password, you must complete the "My profile" form.

Please note that the password must be quite complex and must remain confidential.

Login and email cannot be changed for security reasons.

Once the form has been filled in, click on "Modify your password".

Change password

Login	<input type="text" value="hotelintelligence@hi.com"/>
E-mail	<input type="text" value="hotelintelligence@hi.com"/>
Old password	<input type="password" value="password"/>
New password	<input type="password" value="password"/>
Confirm your new password	<input type="password" value="password"/>
