

Charge prices

Charge the prices of your accommodation and rate lines according to the settings previously made.

In our example, as we have configured dynamic links between the rooms, between the conditions and between the rate lines, we only have to charge the price of the Standard Double Room with Terrace - Breakfast included (Conditional cancellation) 15 day(s) before arrival 100% of the total amount of the first night.

- Select the period. You can add more than one period by clicking on . To delete a period click on .
